

People in Career Transition – Suggestions on ‘How To Adapt and Succeed’ ...

OSQA
September 27, 2001

Agenda for Tonight’s Talk

- With the Ottawa Job Market as it stands today – where do you look for work?
- How to cope through this Job Market and Economic downturn? – Suggestions for Success
- Private Sector versus Public Sector Job Opportunities and how to find them?
- Contract positions versus Permanent positions – and Future hiring trends
- Resume Writing – e.g. of...
- Q & A

Who is this Person? And Why is she here???

- Jane McElligott, Account Executive, Cistel Technology
- Has gone through many Transitions – from Ballerina to Business Exec. (Salesman)
- Career Transition and Coping
- Knows how to find a job in a soft market
- How???. . . . Well let me tell you

Cistel Technology Inc. – Corporate Profile

- Established in 1990
- Est. as an R&D company, supporting Nortel, NRC, DND, Telesat
- We are a 'Group of Companies'
- As a result, Cistel can capitalize on our R&D Talent
- Our IT Professionals: Contractors and Perm
- Our size = versatility; quick turn around on deliverables
- Deloitte & Touche this year ranked Cistel as 1 of the Top 50 Fastest Growing Technology companies

Is the Market Soft?...

- You Tell Me...
- Looking for work... how and where?
- You Tell Me...
- How?...Established Talent vs. Entry-Level
- Where?...Private Sector vs. Public Sector
- Who's hiring right now....

Public vs. Private

- Do you know yourself?
- Private sector – start-ups; biotech; military; security; there **are** companies hiring
- Public Sector – GOL – it actually does exist

Contract vs. Perm Placement

- Permanent Placement – getting an RFT offer...Wow!!!
- 2 Types of Contractors
- How to Incorporate...
- Future Hiring Trends...
- Resume Writing – Contractor vs. Perm

Q & A

- Ask me ... please

Thank you
